

**GRANTEE:** Mohawk Valley Technology Training Project

**ADDRESS:** Workforce Investment Board of Herkimer, Madison, and Oneida  
Counties  
209 Elizabeth St.  
Utica NY 13501

**AMOUNT:** \$2,602,008.00

**DURATION:** 24 months

**POPULATION SERVED:** This project will serve 350 area unemployed and under-employed residents. This project also creates 300 training slots for employed workers to upgrade current skills levels. In addition, 50 interns in each of the two years of the project will receive mentoring, job shadowing, and summer internships with employers in the targeted fields.

**BRIEF DESCRIPTION:** The project will help fill the skills gap that impairs the economic viability of technology and health care employers and assist schools in meeting a critical shortage of secondary math, science and technology teachers. Training will focus on degree-level programs and industry accepted certificates through a consortium of training providers. The training will include short-term training that results in recognized skills attainment levels, one-year certificates, two-year associate's degrees, bachelor's degrees and various industry recognized certificates. Employers, training providers and workforce investment community partners are committed to sustaining this project by contributing funds that match up to 91% of the grant.
